Purpose and scope

This onboarding guide describes compliance onboarding guide for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. New joiners complete records-handling learning within ten working days.
2. Training uses fictional entities and sample cases.
3. Questions are routed through the compliance queue.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.
