Purpose and scope

This SOP describes compensation review procedure for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. Compensation cases use band codes M1 through M6.
2. The compensation panel meets on the second Tuesday of each month.
3. Only HR compensation reviewers can access individual proposals.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.
