

Restricted pricing workbook instructions

FIN-013 | Finance | FORM INSTRUCTIONS | Version 2.0

Document control	Value
Access level	RESTRICTED
Effective date	2026-04-01
Status	current
Owner	Finance process owner
Scope	Meridian Works fictional enterprise; all locations unless stated otherwise

Purpose and scope

This form instructions describes restricted pricing workbook instructions for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. Margin scenarios use the fictional cost index 1.24.
2. Only Finance analysts and named Sales approvers may access scenario outputs.
3. Approval expires after the quarter ends.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.

Restricted pricing workbook instructions - 2/3

Blank form and completion instructions

Field	Instruction
Case identifier	Use SYN-FIN-013-02; this is a sample ID, not an actual case.
Business purpose	State the requested outcome and affected scope.
Requested period	Enter start date, end date and review date.
Responsible role	Enter the assigned Finance owner role; do not include personal contact details.
Approval record	Margin scenarios use the fictional cost index 1.24.
Exception rationale	Only Finance analysts and named Sales approvers may access scenario outputs.
Completion status	Select draft, submitted, approved, returned or closed.

Submission and correction

Submit through the fictional Meridian case queue. Corrections retain the earlier value, corrected value and reason. An empty approval field is not evidence of approval. Attach only synthetic evidence when using this dataset.

Sample reviewer note

Case SYN-FIN-013-02 is returned for clarification because the scope field does not identify the affected workflow. The requester may resubmit after adding a scope and review date.

Related search terms
