Purpose and scope

This guide describes travel wellbeing guide for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. Trips lasting more than seven nights require a wellbeing check-in.
2. Submit accommodation needs ten working days before travel.
3. Urgent travel receives an expedited review.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.
