Purpose and scope

This policy describes discount approval policy - archived for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. The former Sales manager discount limit was 15 percent.
2. The archived policy applied only to single-year subscriptions.
3. The current discount policy supersedes this limit.

Historical notice: this version is superseded as of 2026-04-01. Use it only for questions explicitly asking about the 2024 rule.
