SAL-006 | Sales | FORM INSTRUCTIONS | Version 2.0

Document control	Value
Access level	INTERNAL
Effective date	2026-04-01
Status	current
Owner	Sales process owner
Scope	Meridian Works fictional enterprise; all locations unless stated otherwise

Purpose and scope

This form instructions describes proposal instructions for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. Proposals require product scope, term and approved pricing.
2. Use fictional customer names in training examples.
3. Validity is limited to 30 calendar days unless approved otherwise.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.

Proposal instructions - 2/4

Blank form and completion instructions

Field	Instruction
Case identifier	Use SYN-SAL-006-02; this is a sample ID, not an actual case.
Business purpose	State the requested outcome and affected scope.
Requested period	Enter start date, end date and review date.
Responsible role	Enter the assigned Sales owner role; do not include personal contact details.
Approval record	Proposals require product scope, term and approved pricing.
Exception rationale	Use fictional customer names in training examples.
Completion status	Select draft, submitted, approved, returned or closed.

Submission and correction

Submit through the fictional Meridian case queue. Corrections retain the earlier value, corrected value and reason. An empty approval field is not evidence of approval. Attach only synthetic evidence when using this dataset.

Sample reviewer note

Case SYN-SAL-006-02 is returned for clarification because the scope field does not identify the affected workflow. The requester may resubmit after adding a scope and review date.
