Purpose and scope

This FAQ describes physical access faq for Meridian Works. It is part of a wholly fictional enterprise knowledge base created for SynapseIQ retrieval experiments. The rules and figures below are invented operational assumptions, not real company rules or professional guidance.

Key requirements

1. Visitor badges expire at 18:00 on the day of issue.
2. Visitors must remain with their host in controlled areas.
3. After-hours access requires Facilities and Security approval.

Authority: effective from 2026-04-01. If a local quick guide disagrees, use the current approved controlling policy and record the discrepancy.
